A guide on how to organize the book report is included in this document. Students will be able to use the diagram when taking the comprehensive test that will be given the first week of school. The Holes Plot Diagram will be collected by your literacy teacher.
2. Students will read *The Transall Saga* and record notes (on the included note-catcher document) to be used in conjunction with an in-class activity that will be completed the second week of school. The book's interesting setting will be used in the activity, so including setting information in your notes is important. Be sure to take notes on the setting, parts of the plot, the theme and descriptions of the main character. There is space for notes on each on the Transall Saga Note Catcher. This will be collected by your literacy teacher.
